

On January 25, 2006, Sandra Mendonca Galas was found murdered in her car. Her family and friends want us to **NEVER FORGET SANDY G.** and asked the YWCA to name our annual fundraising event in her honor. Last year our tournament hosted 80 players and raised over \$10,000 for YWCA programs. Please join us in honoring the memory of Sandy by participating in our tournament.

NEVER FORGET SANDY G. GOLF TOURNAMENT will be held on Sunday, May 17, 2009, at Kiahuna Golf Club with an award's luncheon to follow at Joe's on the Green. The support of individuals and businesses will help to ensure the success of our tournament and aid the YWCA's efforts to eliminate violence that tragically affects all of us.

The programs at the YWCA assist victims of violence through their recovery and healing. Our other programs help educate and prevent violence and substance use. We are asking for your support of our tournament so we can continue our work with victims of violence and work toward the prevention of future violence in our homes and community.

Please support our tournament by becoming a sponsor, donating a prize, or putting together a team of players.

If you'd like more information about the tournament or our programs, please contact the YWCA at 245-5959.

And remember, Sandy's murder remains unsolved. If you have information regarding this crime, please call Kaua'i Police Department at (808) 241-1696.

Mahalo for your support!

Sandra Mendonca Galas was a victim of violence. She was found murdered in her car on January 25, 2006 and three years have passed with no arrests made in connection to this unspeakable crime. Sandra's family has asked the YWCA to help keep the memory of Sandy alive and to bring awareness of our collective need to end violence against women. The YWCA is proud to support the family's request again this year.

The YWCA of Kauai is the sole provider of domestic and sexual violence services for victims and offenders. We also provide counseling, education and advocacy to aid in the healing and prevention of violence in our homes and community. Please support this tournament by being a sponsor and help us end the violence in our community. But most importantly, let us all;
